Subject PRIOR APPROVAL - TRUCK MOUNTED CRANE

COPIES TO:

3. Johnson

For several months Terry Coonan and Bob Johnson have been attempting to obtain a truck mounted crane from the Army surplus. Their efforts were successful but the pickup form (Form 58 - Property Disposal Communique) which states the pickup date was never received by Mr. Coonan. We were informed by telephone last week that the vehicle must be picked up by this Friday (October 13) or we lose the vehicle. Because of the short time involved, the plans for driving the truck from Boston to Fort Wayne are negated due to the necessity of obtaining permits in the states the trucks would be driven through. Therefore, the truck must be hauled by a private trucking firm. Quotes were requested from three firms but only one written bid has been received. The other bids are expected in the October 11th mail. We request prior approval from Common Council to issue a Purchase Order in an amount not to exceed \$3,250 for the transportation expenses necessary to obtain the truck mounted crane.

The following are a few facts about the truck mounted crane:

1. Use: Available to all City and City Utilities Departments. Used to unload trucks for Water Maintenance and WPC Maintenance, remove logs from dams (every spring), etc.
2. Made by American Hoist and Derrick 500 units manufactured since 1962.
3. 6-wheel drive, 28' long, 10'2" wide, and 12'11" high.
4. 30' boom with 360° swing, 20 ton capacity.
5. 12 x 20, 14 ply tires. Replacements are readily available.
6. Both engines are gasoline powered.
7. Cost \$67,300 new. Today's cost was estimated at a minimum of \$125,000.
8. The unit Jeffersonville, Indiana received had an odometer reading of 250 miles and was in new condition.

THE CITY OF FORT WAYNE

CITY-COUNTY BUILDING • ONE MAIN STREET • FORT WAYNE, INDIANA 46802

board of public works

October 10, 1978

The Common Council
Fort Wayne, Indiana

Gentlemen and Mrs. Schmidt:

The U. S. Government has notified the City of Fort Wayne Board of Works that the Crane they are interested in for the Filtration Plant will be given to the City free, without cost, provided the City of Fort Wayne removes said government surplus Crane from Government Property, which is in Massachusetts, by Friday afternoon, October 13th.

Since this offer came so quickly, the Board of Works is busy negotiating with the heavy-haulers of this area, i.e. Griffin, Dorn and Martin, Inc. so that this Crane may be removed by the time specified. It is estimated that it will take between \$2700.00 to \$3300.00 to haul this Crane to Fort Wayne.

Therefore, Board of Works respectfully requests "Prior Approval" so that this Crane may be acquired by the City of Fort Wayne for only the money needed to deliver this Crane to the City. A Purchase Order will then be issued to the lowest bidder, one of the above-described heavy-haulers.

Special Ordinance for formal approval will be submitted in the very near future.

Sincerely,

BOARD OF PUBLIC WORKS

Henry P. Wehrenberg
HENRY P. WEHRENBURG, CHAIRMAN

CITY OF FORT WAYNE
